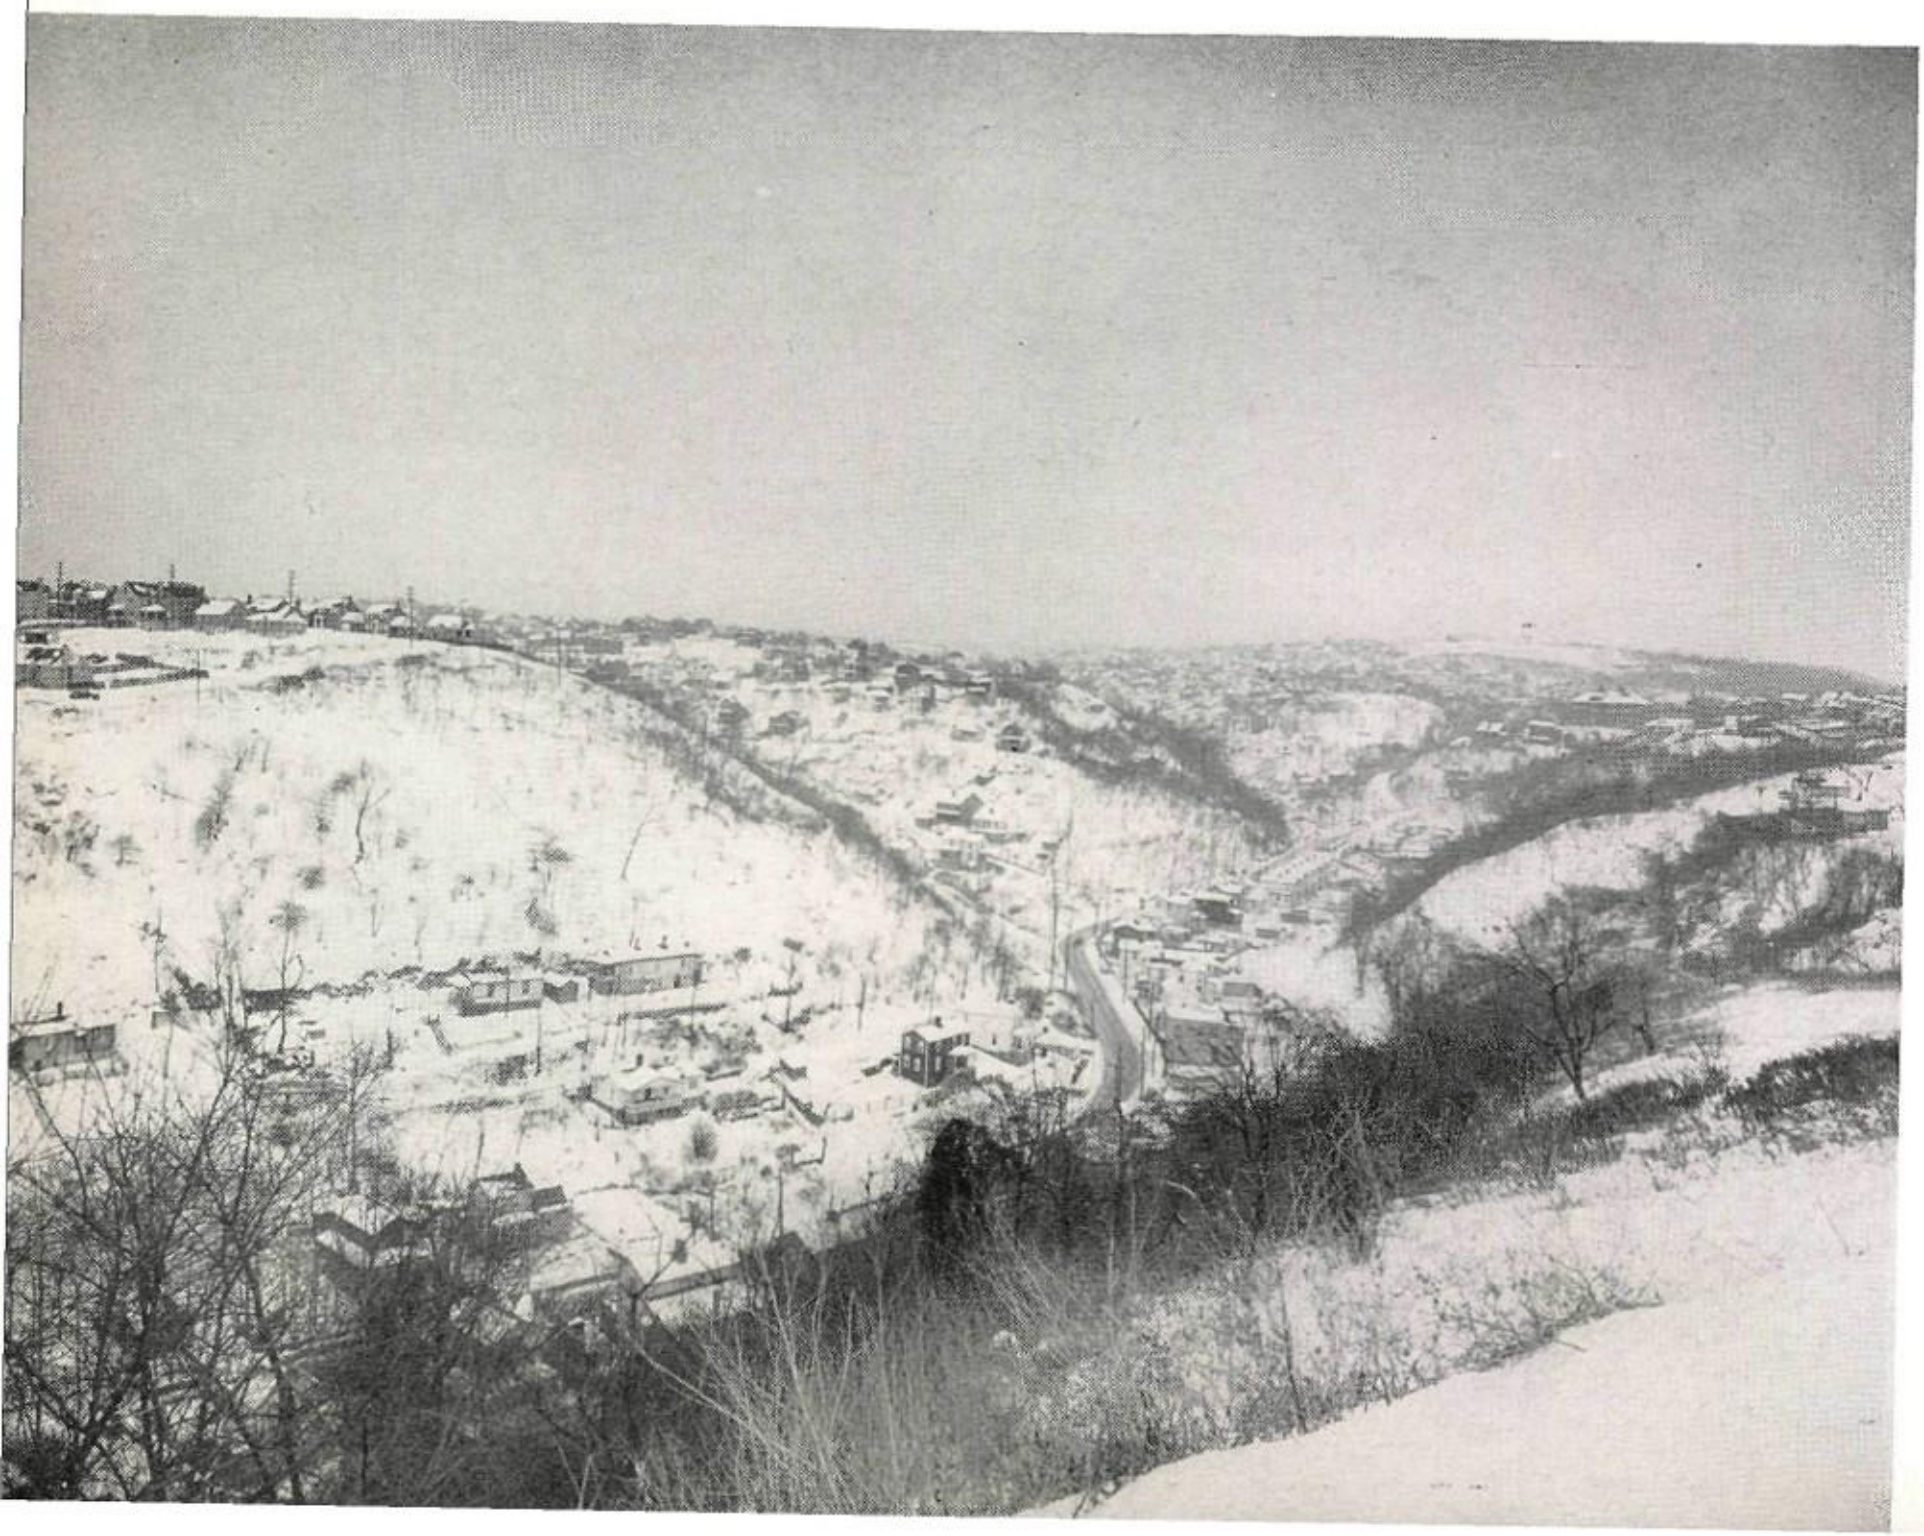
'Mid the hills of Pennsylvania,



At the gateway of the West,

Stands our dear old Munhall High School

Loved by all of us the best;

Gathered 'round her stately portals,

Sweetest mem'ries ever cling,

Of the days when dear old Munhall

Sheltered us beneath her wing.

Board of Education

Behind any large and worth-while organization there must be an active group of leaders. The Munhall School system is such an organization, and these school directors are its leaders. The community has chosen the members of the Board of Education to make important decisions concerning finances, educational policy, equipment, and faculty. The value of the school system can be based on the ability of the Board of Education.

Annual Staff

Out of the years that each class spends at Munhall High School, many memories are evolved. In order for every student to leave this school with a store of memories, our high school annual is published by the senior class and sponsored by Miss Elsie Groat.

The goal of this annual of 1952 is to bring back some of the memories of the happy days you spent here. This staff with all its hard workers, hopes that it has been successful.

Annual Salesmen

The job of publishing a yearbook is not entirely one of assembling material. An important part of such a project is the sale of the finished product. Long before the book is printed, these girls are busy taking orders for it. They work hard and deserve much credit, for they have done their share in the publishing of this book.

Dramatic - Library Clubs

Both of these groups, under the leadership of Mr. G. Edward Busch, strive to present the students with entertainment of various natures. The Dramatic Club provides theatrical entertainment, while the Library Club takes care of the books, a source of entertainment to all those who enjoy reading.

National Honor Society

Each year members from the Junior and the Senior Classes are elected to the National Honor Society. To be a member of this organization a student must rank high in Character, Scholarship, Leadership, and Service. Members of the National Honor Society, which is sponsored by Miss Margaret Howat, are elected by a committee composed of the faculty.

It is under the capable leadership of Mr. James Colaizzo and Mr. Joseph Lacko.

Junior Red Cross

The Junior Red Cross, a chapter of the Pittsburgh Red Cross, has done a great job in the past year. It was done under the capable sponsorship of Mrs. Ruth Gray, Mrs. Elizabeth Donaldson, and Miss P. M. Charleton.

The organization is made up of homeroom representatives and any other student who wishes to participate. This year we filled gift boxes, made favors, and participated in a number of meetings held by the Pittsburgh Chapter.

Woodlawn Cheerleaders

"Go, team, go! Go, team, go!" is the cheer yelled from the sidelines of every game. It is this group who leads this cheer, and results often show that their cries have not been in vain.

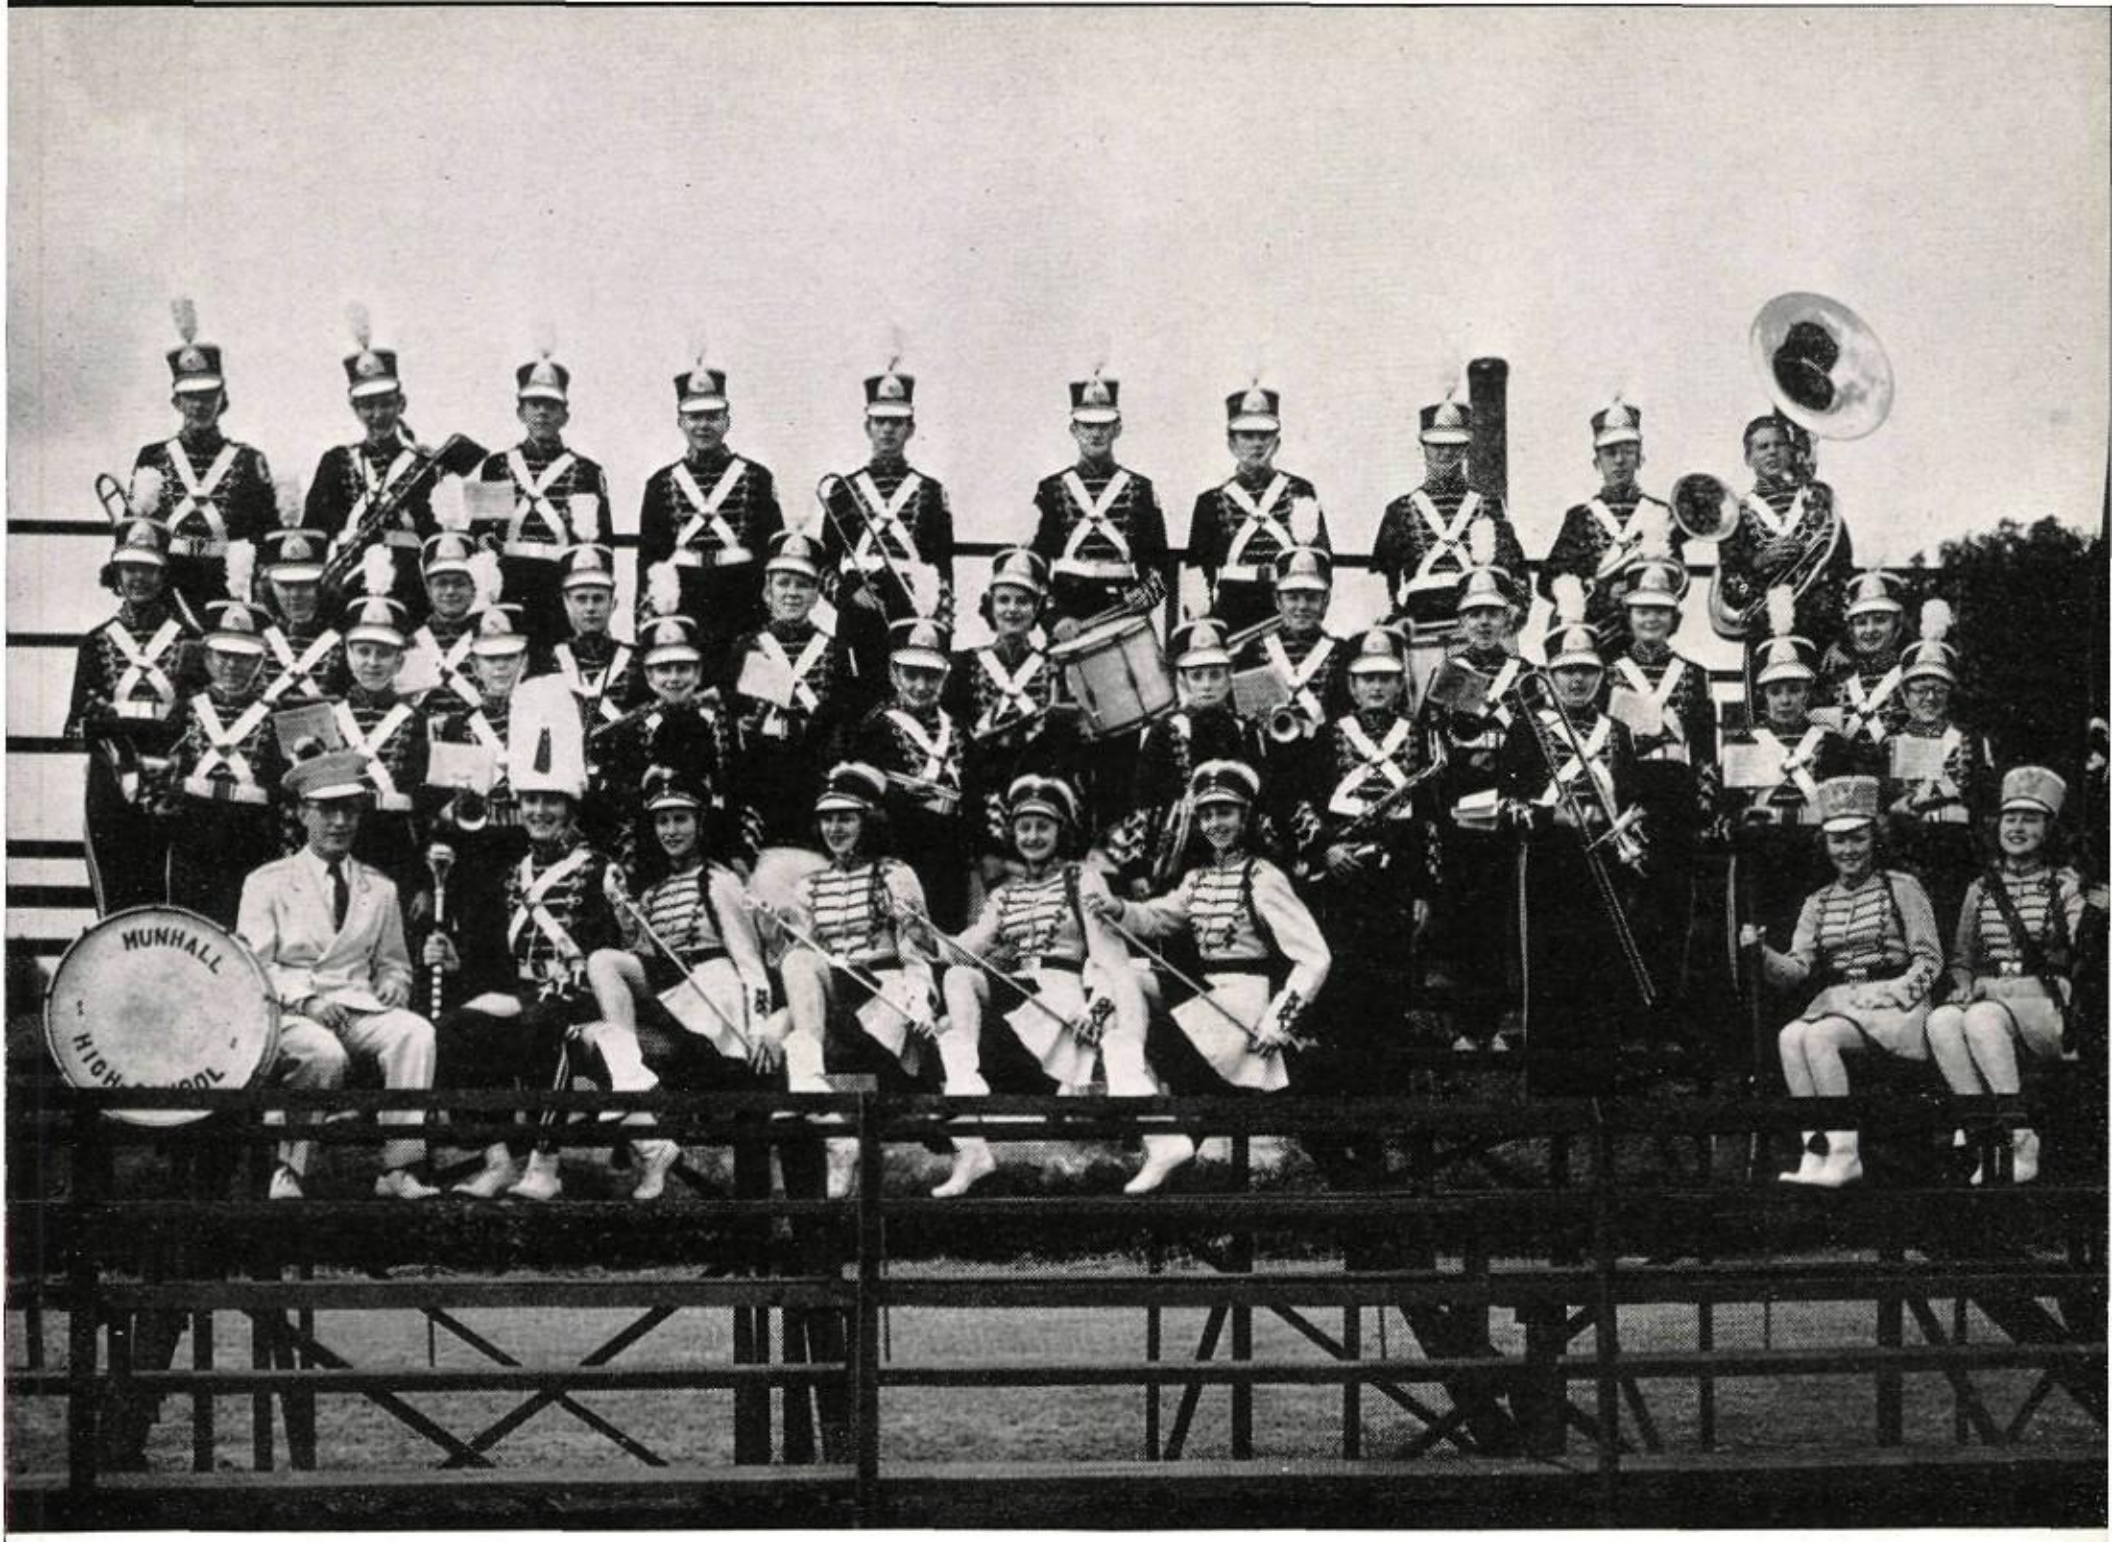
Band

This year the Munhall High School Band, under the direction of Mr. Regis Shalley, appeared at many school and community functions, football games, and in various parades. The highlight of the year for the band was the band concert held on April 24 and 25.

This past year the band sponsored two dances. By means of these dances they raised the money to buy each senior a sweater on which to wear his band letter.



Left to right: Row 1—Mr. Shalley, J. Richards, C. Cadman, S. Watkins, S. Niemitz, C. Freeborough, G. Owston, G. Byers.

Band

There are eleven seniors who will leave the band this year. Mr. Shalley will miss these people, but with the large program going on which is training many boys and girls to play musical instruments, there should be a great deal of new talent to fill the chairs left by these graduates.

These graduates will look back at the years they spent in the band as years containing many pleasant memories. Very few of them will ever forget the good times they had playing in the band and participating in its activities.

Left to right: Row 1—P. Kroll, W. Cuttler, J. Patterson, Mr. Shalley.
Row 2—T. Holdsworth, P. Bennett, R. Wallace, J. Richards, C. Bigda.

Band Council

In the past several years, our band has become an organized unit. Officers were elected and given certain responsibilities.

This year, a council has been added. It is made up of the regular officers as well as a number of additional band members elected by the entire band. It works with the director, Mr. Regis Shalley, in setting up the policies which should increase the potentialities of such a vital part of school life as the band.

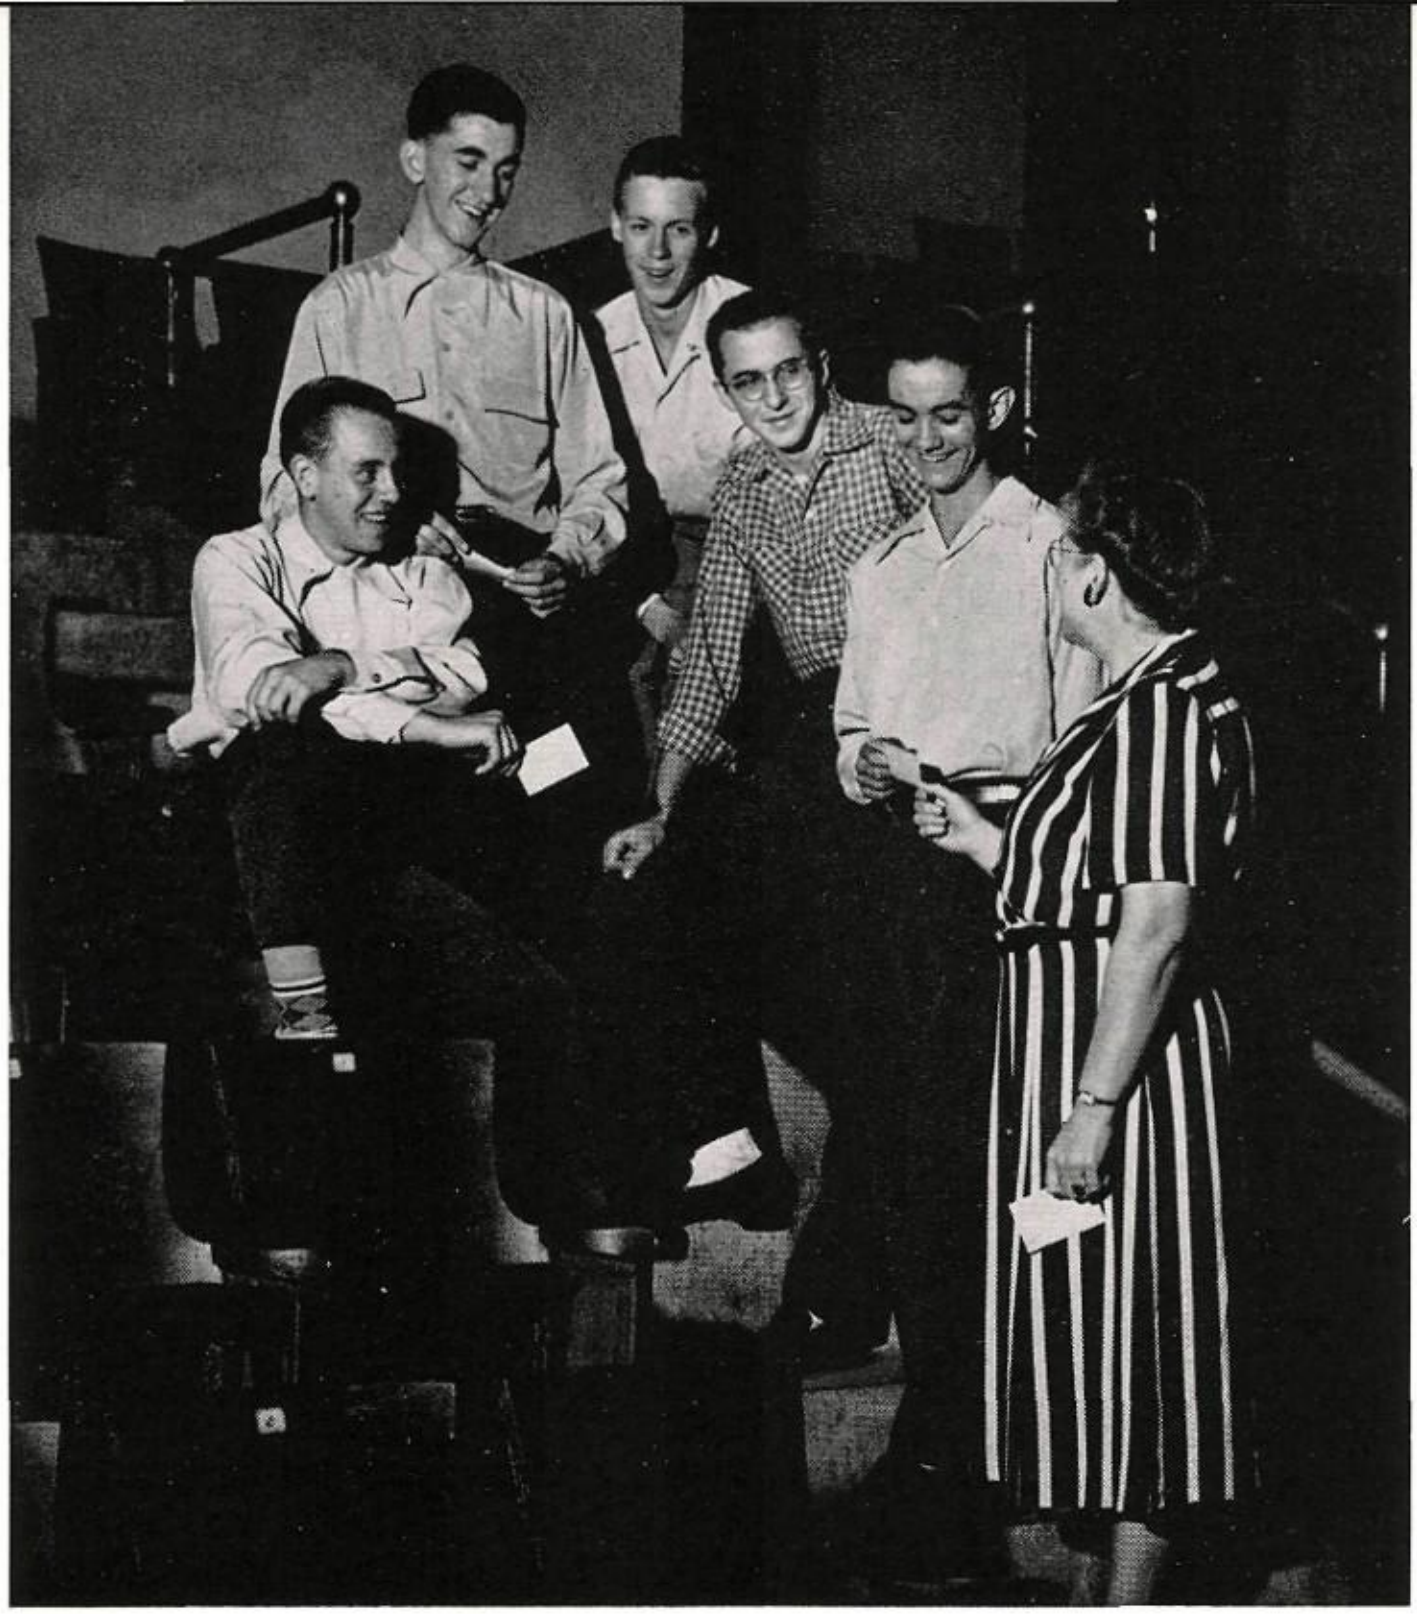
Choir

Another phase of Munhall's music department is our choir. Mr. Thomas Emmel directs this able group in many community and school programs throughout the year. Its concert with the band at the end of the school season is the climax of an eventful year.



Left to right:—F. Kern, V. Kostovny, J. Martin, M. Lebedda, J. Kennedy, Miss Rush.

Stage Guild

Although this group may be small, the job they perform is by no means an unimportant one. While the members of the cast are learning their lines, this group is working hard and long behind the scenes to make the performance a success. Together with Miss Thelma Rush, who works with them constantly, this group deserves much credit for all the entertainment their work has made possible.

The Seniors are now looking back to the time when they entered high school as Freshmen, while the Freshmen are gazing with envy at the graduating class of '52, and looking forward to the time when we shall be in their places. Yes, with much sadness you leave the gates of Munhall High School, and we, with much gladness, are only entering. Which of us are the lucky ones?

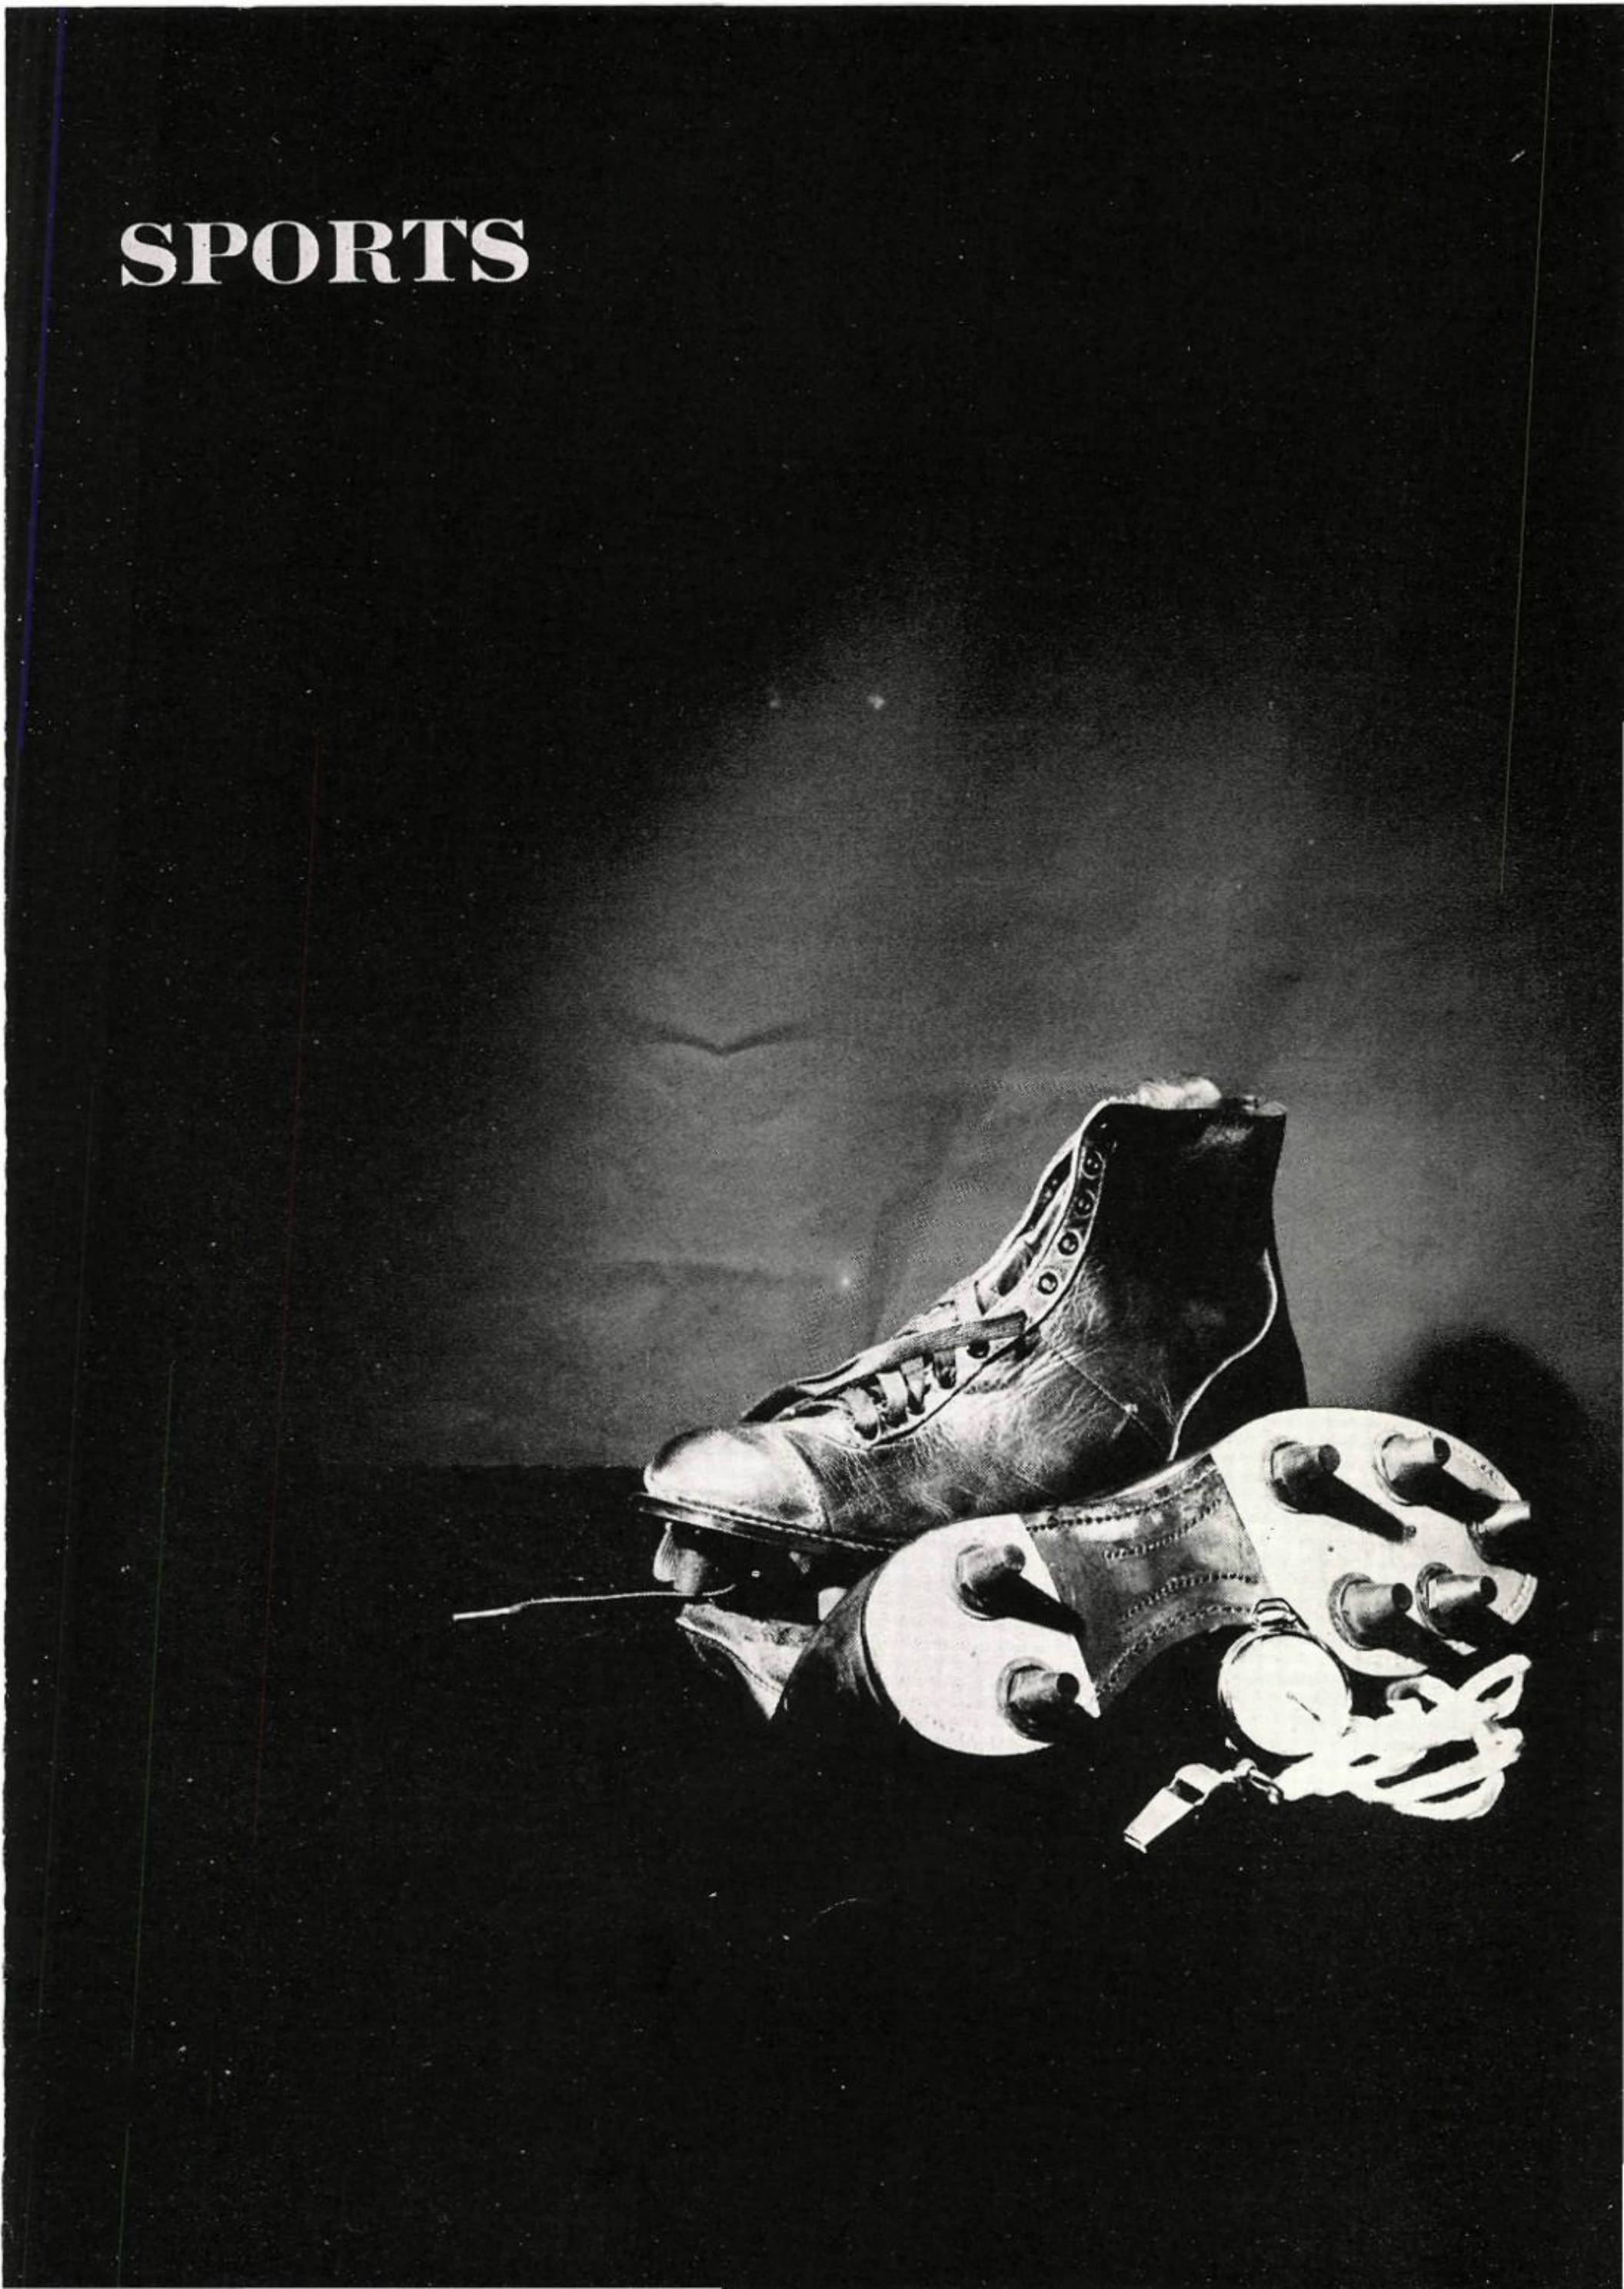
SPORTS



Varsity Football Squad

The Indians had their most fruitful season last year, 1951, by defeating Schenley, Taylor-Allderdice, Scott, Braddock, Clairton, Turtle Creek, Penn, Duquesne, and last but not least our worthy opponent, Har-Brack who had won over us in the past years. This was the first time in the history of Munhall High School that the Indians had remained undefeated and untied in W.P.I.A.L. Class AA competition. Then came the district play-off at Farrell, where Munhall played a hard-fought game, in which they lost. Even though the team did not defeat Farrell, the Indians, of which Mr. Nick Kliskey is the coach, won the Steel Valley Conference Trophy, the W.P.I.A.L. competition trophy, and other district honors.

Varsity Basketball

Competition in Section Six is always keen, and this year was no exception. Although Munhall did not have an undefeated season, we did upset Homestead, and of this we are proud. Every game played was filled with thrills, and Hube Shiring's boys never let one team get by without giving them a real fight.

Baseball

This year, Mr. Nick Kliskey, our baseball coach, has two pitchers returning: Bill Freshwater and Ronnie McCulloch. There is also one outfielder returning for the baseball season. Since the team has to build an entire infield, our prospects are not too good, but we know that they will do their best to represent Munhall.

Rifle Team

This year the Munhall rifle team upheld its annual tradition by again having a winning season. In W.P.I.A.L. competition the three pacemakers of the team were Anna Marie Patrick, Audrey Crux, and Gerry Patrick. There are seven teams in the W.P.I.A.L. this year. Munhall shot each of the other teams in the league twice, the matches being shot on a home and home basis.

In national competition the Munhall first team placed first. They competed with over one-hundred-forty-seven teams, which represented almost every state in the union in addition to Canada, Alaska, and Hawaii. The girls team also won the national championship in their division. The team was paced in national competition by five seniors: Audrey Crux, Ann Marie Patrick, Karl Rush, Bill Stewart, and Bob Wallace.

MR. BRAND

Sponsor

The sponsor of a graduating class plays a vital part in the welfare of that class. He is their chief guide and therefore must be able to determine what is, and is not, good for that class.

We, of the class of 1952 feel that our sponsor, Mr. Leslie Brand, has well filled his responsibility. The sincerity with which he has worked is respected by all. The time and effort on his part will always be appreciated by us.

Senior Class Officers

These three boys, who led our football team through an undefeated season, also led the Class of '52 through its final year at Munhall High. As on the football field, the way was not always easy, but these fellows successfully brought our class to its long-awaited goal. A great deal of hard work was involved, but to attain anything worthwhile, all must be willing to do their share. With everyone helping, our last year was one that few of us will ever forget.
